NEW LOOK
PAINTABLE WALL FINISHES

New Look has established itself as the most popular collection of paintables since its release back in 2001. This new range offers an even wider selection of designs, Classical Traditionals, Modern Geometrics and an excellent range of Stippled Textures. A further dimension is the additional 'Dado Rails' printed on an extra wide 1.06 mtr wide roll to create big and bold feature effects. New Look is an expanded vinyl on a 'non woven / vlies' backing which is a 'paste the wall' product and can be coated with any type of water based paint. Manufactured by the world renowned Rasch mill in Germany this is a high quality range suitable for all residential and commercial uses and is fully stocked here in Australia.
